Beaumont Village, Alexandra Road, Aldershot, Hampshire GU11 1BB

OWNERSHIP

One and two bedroom homes with a 125 year lease are available (2006). A small number have a garden and conservatories. Residents would be responsible for the maintenance charge (utilities included, a small number of properties have their own gas supply which the resident is responsible for), ground rent and council tax.

Residents would be responsible to sell their property, although Beaumont Village can be requested to assist in this process.

Rental properties are provided on a short-hold tenancy for a fixed term of 6 or 12 months. A two-month notice is required prior to the renewal date if the tenancy is terminated.

The tenancy can only be terminated at the end of the current tenancy agreement. This is then extended annually.

To secure a rental, one month's rent in advance is to be paid. There is also one month's deposit which is held in a tenancy deposit scheme.

At the end of the tenancy the tenant/s are responsible to leave the flat as it was found.

Shorter respite/ holiday periods available, please enquire directly for availability.

RENT TO BUY

On a select number of property's it may be possible to operate a 'rent-to-buy' scheme, which enables you to move in immediately on a rental agreement, and continue with the purchase through the tenancy term.

This enables some (if they choose) to make the move to their new apartment before the sale is completed, and has proved very helpful for many owners as it can alleviate the stress in an otherwise stressful situation. It means that the purchaser decides when they want to move, rather than waiting for the sale to complete.

TENANTS

The monthly rent cost is as per individual tenancy agreement - £1425 - £1475 pcm
Plus, service charge.

OWNERS

Owners pay a ground rent of £5 per month in addition to the weekly Service Charge and other costs.
